

SUSPENSION-CANCELLATION POLICY

American Cadre Karate

The following is our policy for any suspension or cancellation of your membership.

We need to receive your notification in writing (email/website submission) no later than the 14th of the previous month. (*Example: If you'd like to cancel for December your request must be submitted no later than November 14th.*)

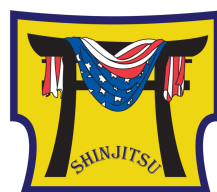

All requests after the 14th will not be processed until the month after.

Wishing to suspend/pause membership? There is a standard holding fee of \$20 per month, per student.

Wishing to cancel? There is no cancellation fee. However, if you cancel your membership and would like to re-enroll in the future there is a \$99 re-enrollment fee (*everyone has their first enrollment fee waived as a courtesy to all our students*).

Please feel free to contact your instructor with any questions you may have.

Thank you!
